## CERTIFICATE OF CONTINUED SAFE SERVICE FOR CONCRETE PLACING EQUIPMENT

Certificate No: 200588

Inspection Type:	6 Yearly Continued Safe Service
Location of Inspection:	509 Boundary Street, Torrington NSW
Pump Owner:	McClelland Concrete Pumping
Pump Manufacturing Company:	Schwing
Pump Type (make, model, year, build):	Schwing, 32 XL, 2008
Pump Serial No:	1010392
Registration No:	234XLD
Identification No:	MC08

*The inspection was performed in accordance with  
AS 2550.15 & AS 1418.15 Concrete Placing Equipment*

### Inspection Comments:

Carried out 6 yearly certification for continued safe service on Schwing Concrete Pump as per quote #1474 and invoice #1517.

Carried out NDT crack test, sonar pin test and load testing on 21/04/2020.

All required repairs were completed and re-tested on 20/08/2020.

This unit is safe to remain in service for 6 years. It will require a major inspection for continued safe service on 20/08/2026.

I hereby certify that the above concrete placing equipment has received its 6-year major safety inspection in accordance with the instructions of the concrete placing equipment designer and manufacturer and **AS 2550.15** and is safe to use. This inspection includes mechanical, structural and electrical items of the concrete placing equipment.
